

2016 NDCIA Annual Meeting
Research and Extension Committee Minutes
Minutes by Troy Coons

The meeting was called to order by Del Gates

Minutes from last year were read. Craig Askim made the motion to accept the minutes as read with a second from Troy Coons.

New Business

The seed cleaning facilities at Carrington, Langdon, Minot and Williston was discussed in great detail. The potential of these facilities was deliberated on how beneficial it would be to the Research Extension Centers. The new accommodations would be invaluable in maintaining pure clean seed for our growers. Randy Mehlhoff, Landon Research Extension Center and Blaine Schatz, Carrington Research Extension Center, commented on what it would do for their Centers in moving into the future.

Motion to adjourn by Luke Anderson, seconded by Mark Birdsall.
